

Self-help Guide for MOODLE Users

Edit the Language Setting of your course

The courses you are teaching are listed under My Courses.

Go to your course page, click "Edit settings" in "Actions".

Go to **"Appearance"** in Edit course settings, select the language in **"Force language"**.

 Appearance 			
Force theme		Do not force 🗢	
Force language		Do not force 🗢	
		Do not force	
Number of announcements	0	Deutsch (de)	
		English (en)	
Show gradahaak ta studanta	0	Español - Internacional (es)	
Show gradebook to students		Français (fr)	
		正體中文 (zh_tw)	
Show activity reports	0	简体中文 (zh_cn)	

Your course language will be forced to change to selected language.
