

Self-help Guide for MOODLE Users

Add and Assign Roles

Go to the **Course Page** in which you would like to assign the roles of **Teachers**, **Teaching Assistants (TA)** or **Students**.

Click on **"More..."** in the **"Actions"**. Select **"Users"** Tab, select **"Enrolled users"**.

In the "Enrolled users" page, click on "Enroll users".

The "Enrol users" list will be shown:

a. Select on the role you want to assign a user to be selected in the following step.

b. Look for a particular user by typing his/her alias/student id in the Search Text Box and press **" Search "**.
